End of Term One, 2019 Newsletter

Principal's Message

We have come to the end of another busy term. I really appreciate the limitless communication and cordial relationship we have always enjoyed with parents. It has played a big role in ensuring that the school runs smoothly and effectively. Esteemed parents, during the 3-weeks holiday, your guidance and monitoring of your children at home is paramount.

Thank you for all you do to make our noble institution a success. We thank God for everything.

Zekeriya Ozsahin

Principal
